CALIFORNIA PROPOSITION 65 DECLARATION

This declaration is to inform KH Industries customers that products manufactured or sold by us may contain trace amounts of chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986.

The Act, commonly known as "Prop 65", establishes a list of chemicals which the State of California risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

The Proposition 65 chemical list can be found at:

<http://www.oehha.ca.gov/proposition-65/proposition-65-list>

If your company intends to use our manufactured goods in products sold or delivered in California, they will need to be properly labelled. Your company is solely responsible for determining whether your finished consumer products may be accurately labeled in compliance with Prop 65.

More details on Proposition 65 labelling can be accessed at:

<https://www.p65warnings.ca.gov/new-proposition-65-warnings>

The following warning statements are required by California law and apply to all the products available from us because the product may result in an exposure to one or more listed chemical.

WARNING: Cancer and Reproductive Harm-www.P65Warnings.ca.gov

This product can expose you to chemicals including lead and di(2-ethylhexyl) phthalate, which are known to the State of California to cause cancer, birth defects or other reproductive harm.

We will continue to monitor the Prop 65 regulation for any new updates. If anything regarding our declaration changes we will update immediately.

Should you have any questions or concerns, please feel free to contact me at (716) 649-4211.

Sincerely,

Stephen Sullivan
Director of Quality
KH Industries
