FEATURES:

- PowerTuff Standard Depth Portable Outlet Box
- Will accommodate .30 - .63 cable sizes
- Dimensions: 3.25" d x 2.50" w x 4" h
- 18.97" internal cubic inches
- Small, medium and large grommets are included
- Integrated strain relief system is molded into outlet box and won't pull or loosen over time due to vibration
- Molded Alcyn housing provides superior long term durability
- Bonding strap on outlet box ensures that device and boxes are bonded to the grounding conductor as required in Canada per CSA C22.2 No:18-98 (on standard size outlet box only)
- Integrated coverplate mounting holes eliminates the problem of inserts loosening over time
- Made in the USA
